### **Too all members of Rome Radio Club**

Thank you for all your support on hamfest 2000 over at the westmoreland fire dept. I was right when everyone pulled together it would be a success. I would like to thank all that helped me pull this off KA2RCF, W2VGE, W4BNY, KB2TXR, K2YE, W2XIR, WA2GVE, W2HNO, AND WHO WOKE DEPT. TO BE ON TIME K2GVI. The group pulled together in spite of the weather which sort of put a damper on things. Many members they were looking for noah and the ark. I hope everyone had a good time.

**THANK YOU FOR ALL YOUR SUPPORT

## **Virus Alert**

### **CLINTON VIRUS**

Gives you a 7 inch hard drive with NO memory.

### **VIAGRA VIRUS**

Makes a new hard drive out of an old floppy.

### **LEWINSKY VIRUS**

Sucks all the memory out of your computer, then e-mails everyone about what it did.

### **RONALD REAGAN VIRUS**

Saves your data, but forgets where it is stored.

### **MIKE TYSON VIRUS**

Quits after two bytes.

### **OPRAH WINFREY VIRUS**

Your 300MB hard drive suddenly shrinks to 100 MB, then slowly expands to 200 MB.

### **DR. JACK KEVORKIAN VIRUS**

Deletes all old files.

### **ELLEN DEGENERES VIRUS**

Disks can no longer be inserted.

### **TITANTIC VIRUS**

(A strain of the Lewinsky Virus) Your whole computer goes down ( but I think "we go on").

### **DISNEY VIRUS**

Everything in your computer goes Goofy.

### **PROZAC VIRUS**

Screws up your RAM but your processor doesn't care.

### **JOEY BUTTAFUCO VIRUS**

Only attacks minor files.

### **ARNOLD SCHWARZENEGGER VIRUS**

Terminates some files, leaves, but IT WILL BE BAAAAAACK.

### **LORENA BOBBITT VIRUS**

Reformats your hard drive into a 3.5 inch floppy, then discards it through Windows.
